

INDOOR/OUTDOOR HD SURVEILLANCE CAMS HIDDEN IN PLAIN SIGHT

The most powerful stationary surveillance solutions available.

ProStar cams offer:

- Up to 168 hours of continuous HD recording
- Motion activated or continuous recording
- Built-in laser site capability for precise camera angles and setup
- Wifi enabled, login from anywhere
- Easy viewing, transferring, and backing up of your surveillance footage
- Collect stationary surveillance footage and review at an increased speed
- Use alone or with manned investigations

ProStar cams are ideal for most case types:

Insurance fraud • Workers compensation • Medical providers • Criminal cases
Employee theft • Domestic situations • Security • Law enforcement

Why ProStar?

ProStar Cameras is a leading manufacturer of professional grade asset tracking equipment and has been creating custom surveillance solutions since 1994. An expert in professional hidden cameras, our products are used by private investigators, law enforcement agencies, utility corporations, and automotive manufacturers throughout North America. The ProStar name has a longstanding reputation for quality and durability. ProStar Services also specializes in GPS tracking, bait vehicle modifications and rentals, surveillance vehicle modifications and rentals, investigative consulting and security consulting.

Sales, daily rentals and long-term leases available.

ProStar cams are an excellent addition to most manned surveillance situations.
Placement training is also available.
